

The woman's fundamental status
is that of her husband's wife,
the mother of his children.

--Talcott Parsons

Women, in general, want to be
loved for what they are and men
for what they accomplish. The
first for their looks and charm,
the latter for their actions.

--Theodor Reik

If the feminine abilities were
developed to the same degree
as those of the male, the woman's
maternal organs would suffer
and we should have a repulsive
and useless hybrid.

P. J. Moebius
German Scientist, 1907

Women are usually more patient
in working at unexciting repetitive
tasks...I believe women are de-
signed to get more pleasure out of
life when they are not aggressive.
To put it another way, I think that
when women are encouraged to be
competitive too many of them become
disagreeable.

-- Dr. Benjamin Spock

Inquisitors (c. 1486)

The whole education of women ought
to be relative to men. To please
them, to be useful to them, to
make themselves loved and honored
by them, to educate them when
young, to care for them when grown,
to counsel them, to console them,

and to make life sweet and agreeable
to them -- these are the duties of
women at all times and what should
be taught them from their infancy.

--Jean Jacques Rousseau

A woman is only a woman,
but a good cigar is a smoke.

--Rudyard Kipling

I never knew a tolerable woman to
be fond of her own sex

--Jonathan Swift

Man for the field and woman for the hearth
Man for the sword and for the needle she
Man with the head and she with the heart
Man to command and woman to obey
All else is confusion.

--Alfred, Lord Tennyson

Nature intended women to be our
slaves... they are our property;
we are not theirs. What a mad
idea to demand equality to women!
Women are nothing but machines
for producing children.

--Napolean Bonapart

To men a man is but a mind. Who
cares for the face he carries or
what he wears? But woman's body
IS the woman. --Ambrose Bierce

It would be preposterously naive to
suggest that a B. A. can be made
more attractive to girls than a
marriage license.

--Dr. Grayson Kirk

former president of Columbia University

Man's superiority will be shown,
not in the fact that he has en-
slaved his wife, but that he has
made her free.

SNCC is prone.
